project execution
excellence*

GENERAL LABOURER

Collaborative Structures Limited (CSL) is a multi-disciplined construction services company that has made its mark within the construction community. Since our inception in 2003, CSL has shown significant growth that can be directly related to our goal of providing exceptional services to our Clients and our commitment to Project Execution Excellence.

CSL has a number of projects in the Industrial, Commercial, Institutional, and Heritage/Adaptive Reuse sectors of Southwestern Ontario.

Position Overview

We are currently looking for General Labourers to join our dynamic team. This is a union position belonging to CLAC Local 53.

Duties and Responsibilities

CSL's field staff are the on-site representation of the company, executing work in the field. Tasks vary depending on the job site, but will typically involve assisting our on-site staff, skilled carpenters, and construction labourers. Our workforce executes many construction tasks such as erecting and dismantling concrete formwork, setting up scaffolding, setting door frames, moving material around the site, traffic control, and other general construction needs.

Education and Experience

- High school diploma/GED
- General building construction experience is an asset
- WHIMS, Working at Heights, Elevated Lift, First Aid and other safety certifications are considered assets

Qualifications

- Excellent verbal and written communication skills
- Hard working, and able to follow instructions quickly and efficiently
- Valid driver's license with clean driving record
- Physically fit and able to lift up to 50 lb.

What We Offer

- Competitive compensation
- An expansive benefits program including a company matched RRSP program
- Opportunity for growth and advancement within the organization

Interested and qualified applicants should send their resume to recruiting@collaborativestructures.com. CSL is an equal opportunity employer committed to creating an inclusive environment for all individuals.
